# Update on Kelley's New Radio Show

---

Catch *Keehn On Money* starting January 16th, 2006.

Kelley is thrilled to be a daily guest on Calgary's hottest radio station, California 103 fm (formerly, The Breeze). You can catch her segment, *Keehn On Money*, live twice daily between 7am - 9 am and 4:45 pm.

Can't catch Kelley live? We'll be posting the *Keehn on Money* segments soon - visit our website soon a full listing. View all of the details at: [www.TheProsperityFactor.com](http://www.TheProsperityFactor.com).

New for  
2006

## Calling all Christians!

Early this year, Kelley will be working on her fourth book, *The Prosperity Factor for Christians*. To ensure that this book reflects a broad group of Christians and denominations, Kelley is teaching a mini course to churches for FREE (only a nominal fee is charged for course materials.) She'll then use her research and feedback to fine-tune the book. Please contact us today to have Kelley present this powerful course at your church (Alberta cities only).
